A screenshot of the Hider 2 application interface. It features a dark grey window with a title bar containing three window control buttons and the text "HIDER 2". The main area contains a large, circular, metallic-looking dial with numbers from 0 to 90 in increments of 10. Below the dial, the text "Enter password to unlock Hider" is displayed above a password input field with a right-pointing arrow. To the right of the dial area, the text "HIDER 2" is written in large white letters, followed by "Hide and encrypt private data on your Mac." Below this, there is a box containing "AES" and "256 BIT" with the text "Your data is password protected and AES-256 encrypted." to its right.
