Fap3d-Two Mar 25, 2019 I feel like this is very important and lacking in almost all games and could possibly improve the game drastically as well as making it more realistic and playable. The GAME I'm talking about, the one that didn't work well for me, is: San Andreas: Liberty City Stories.... I liked it a lot and cried so many fucking tears, I'm really sad about its lack of success. Aug 23, 2017 I can't believe this game is a decade old already! You're telling me this game is still around?! Oh, how I miss the fun of the RC and the beauty of Liberty City! You guys seriously need to update the mod. :/ Oct 9, 2017 This is the best GTA game of all time and it's my favorite game of all time I love the RC the minigames and the story the gameplay, everything, I love it so much, I love the music too and the driving here is a real driving simulator I love it like its the greatest game ever and I think I'm going to play f678ea9f9e
